---

## Education:

Bachelor of Science, Graphic Design, Drexel University  
Cumulative GPA: 3.65; Dean's List 2018-present  
Graduation: June 2022

## Experience:

### Co-op at MilkCrate: Graphic Design Intern (March-Sept 2021)

- Designed app screens and sprints for local non-profits Inner Strength and Centro de Cultura, Arte, Trabajo y Educacion (CCATE)
- Added buttons and resources to other existing client apps
- Coordinated, compiled, and deployed the rollout of new apps and updates to the Apple and Google Play app stores
- Led communications with app store review teams to resolve app rejections and deployment delays
- Championed Glitter Cleaner and Glitter neighborhood cleaning apps, by convincing the Apple review team over several months to overturn its claims that Glitter Cleaner was only for a "niche market"
- Conducted tri-weekly internal testing for version updates
- Identified bugs during the shift from original development platforms to AWS

## Skills:

### Graphic and 3D Design:

- Adobe Creative Suite: Photoshop, Illustrator, InDesign, After Effects, Acrobat, Fresco; DSLR Photography, working knowledge of Maya

### Web Development:

- Sketch, HTML 5, CSS 3, Github, Codekit, VS Code, Greensock, XCode, Cyberduck;

### Productivity and Communications Software:

- Microsoft Office: Word, Powerpoint
- Google: Docs, Slides, Sheets
- Zoom, Teams, GroupMe

## Coursework:

Visual Communication (Branding, Typography, Packaging, Exhibition), Website Design and Coded Animations, Typography, Color Theory, 3D Design, Still Life Drawing, Screenprint, Printmaking, Figure Drawing, Digital Photography, Tablet Drawing, Woodshop, Welding

## Activities:

Volunteer, Philadelphia Ship Preservation Guild, Spring 2019

- Contributed to the restoration of the *Gazela* by raising rigs, deconstructing the wooden tarp frame and sorting which nails and boards were suitable for reuse, and maneuvering large plywood panels below deck.
